Sir:

In response to the Notice of Non-Compliant Amendment, bearing a mail date of January 24, 2006, applicant is following-up regarding a telephone discussion conducted on February 2, 2006 with the Examiner in charge of the case. During that discussion, applicant pointed out that the claims on file were proper, in that a Preliminary Amendment to the claims was filed on January 14, 2004. As such, the Response to the Restriction Requirement, filed on November 7, 2005, amended the claims which were present in the Preliminary Amendment and therefore the Amendment was compliant.

If any questions remain, please do not hesitate to contact the undersigned.
